

STEM & TECH FOR GOOD

WITH
TRIBESFORGOOD

Transformative Campaigns this Summer

Are Indian Nonprofits Ready for AI?

Problem Statement: India is still in the early stages of AI adoption, particularly within the nonprofit sector, and this nascent stage influences several aspects of its use.

Work with team members of our nonprofit partners and help them learn key AI features-

- Generative AI to write text or create images
- Analyse data and write reports to Non-profit teams
- Productivity essentials to drive progress focusing on access to AI, Promote co-design and inclusivity
-

Transformative Campaigns this Summer

Cybersecurity x Ethical Hacking

Problem Statement: Everyday over 2,000 cyberattacks take place across the globe.

- **Exploring Ethical Hacking & Cyber Defense:** to understand how systems are attacked and protected.
- **Building Digital Awareness & Online Safety:** to navigate the internet securely.
- **Understanding AI & The Future of Cybersecurity:** and how it can both protect and threaten digital assets.

Future Scientists: Design-Integrated Learning

Problem Statement: Many students from low-income communities struggle with engagement in STEM subjects due to a lack of access to hands-on, creative learning opportunities.

- **Visualize Abstract Concepts:** through creative methods like rangoli, shadow puppets, and stop-motion animation.
- **Enhance Learning Retention:** by connecting theoretical knowledge with hands-on artistic activities.
- **Inspire a Passion for STEM:** by making learning fun, creative, and immersive for students.

HEALTH INNOVATION & ACCESS

WITH TRIBESFORGOOD

Transformative Campaigns

Health Access & Equity

Iron Shield: Advocating for Anemia Mukht Bharat

Reduce iron-deficiency anemia in children, adolescents, and women.

With iron-folic acid supplementation, deworming & dietary diversification

Thalassemia & Sickle Cell Awareness Programs

Understand and raise awareness on the hemoglobin structure, gene mutations, and metabolic implications.

Stepping Up Against Hookworm

Reduce the spread of hookworm, raising awareness about its health impact and distributing footwear as a preventive measure.

Transformative Campaigns

Health Access & Equity

BiteShield: A Campaign Against Mosquito-Borne Diseases

Raise awareness on dengue and malaria and provide participants with a deeper understanding of prevention measures.

Gender & Health: Who gets left behind?

Explore the historical challenges and ongoing opportunities in women's healthcare to advocate for more inclusive and equitable healthcare.

Project Paushtik

Address the protein deficiency in mid-day meals and in Indian diets.

DRIVE IMPACT IN BUSINESS & ENTREPRENEURSHIP

SUCCESS

STARTUP INDIA

Provide practical tips on how to set up and grow your business in India to budding micro-entrepreneurs. From leveraging social media to exploring the financial & legal landscape

SMALL BUSINESS SATURDAY

Identify the small businesses in your locality and help them grow in this tech-powered world! Support them with digital skills and more!

THE CAMPAIGNS

ENTREPRENEURIAL STORYTELLING

Blend English language skills, business management principles, and essential life skills like teamwork, problem-solving, communication and financial literacy that can create a thriving business!

SKILLING WORKSHOPS

Teach practical skills of candle-making, knitting, baking, crochet workshops to help individuals learn skills that can help them start their own businesses.

SUCCESS

SELL IT LIKE A SHARK

Give nonprofits a broader reach by curating their brand strategy, identifying their target audience, analysing & tailoring their social media content for greater reach & sales.

CONSCIOUS TOGETHER

Equip businesses with the knowledge and tools to reduce their environmental footprint and contribute to a more sustainable future.

THE CAMPAIGNS

SEASON FOR DATA ANALYSIS

Use the Festive Season to bring financial gains in underserved communities through data analysis. Identify popular products during the festive season across communities and bring this research to nonprofits.

STORYTELLING WITH IMPACT

By crafting relatable narratives and utilizing data-driven visualizations, the project makes topics like business, economics and finance engaging and accessible to a wider audience.

Business & Entrepreneurship

Changemakers in the Spotlight

Empowering Through Craft

Anaya equipped young students with practical business skills, enabling them to launch and expand small businesses. By organising knitting workshops, she introduced a sustainable source of income

Supporting Micro-Entrepreneurs

Samaira led entrepreneurship development workshops, equipping women in her community with valuable part-time skills to build sustainable livelihoods.

She also helped local small businesses thrive by enhancing their digital presence, listing them on Google to boost visibility and reach.

Strengthening Skills Through Design & Sustainability

Alya empowered young students by teaching Canva a digital tool, enabling them to enhance branding, marketing, and digital presence—key aspects of building a successful business in the future.

CALLING FUTURE FIN-INNOVATORS: BUILD IMPACTFUL FINANCIAL SOLUTIONS

WITH TRIBESFORGOOD

*Build. Create. Lead.
Financial Futures*

*Applications open
for Summer
Programs*

High-Impact Finance Campaigns

Microfinance & Social Investing

86% of India's eligible population cannot access formal credit/loans. Design finance solutions that give women entrepreneurs and small businesses a chance to thrive!

Street Smart Finances

Street vendors are a crucial part of India's informal economy, yet many face challenges due to a lack of understanding about tax laws and government regulations. Empower street vendors by bridging this knowledge gap

Social Stock Exchange

Traditional fundraising methods may not always suffice for non-profit organisations. Delve into innovative financing mechanisms like blended finance, Development Impact Bonds, and Social Stock Exchange listings.

Unified Lending Interface

Raise awareness about the Unified Lending Interface and empower individuals with the knowledge to access mindful loans

High-Impact Finance Campaigns

UPI for Her initiative

Tapping into India's 200 million women who are ready to embrace digital payments. Unlocking the Power of 200 Million Women in India's Digital Payments Revolution

Conscious Consumerism in the Digital Age

Social Media is flooded with messages encouraging people to buy things they don't need, leading to poor spending habits and overconsumption that harms the environment.

Behind the Scenes of the Gig Economy

Explore the real-life challenges faced by delivery partners to analyze the impact of the gig economy and support them with various government schemes.

The Digital Finance Initiative

Increasing online financial scams, creates new challenges, making it harder to navigate the digital finance space with confidence. Show the transformative power of a cashless economy while addressing financial fraud risks.

SPORTS FOR ALL WITH TRIBESFORGOOD

SPORTS X INCLUSION

PROJECT KHEL

Increased interest in sports and physical fitness.
Awareness of career opportunities in sports.
Skill development and pathway creation for advanced training.

FINANCE X SPORTS

Support grassroots athletes in India **access brand sponsorships** for training, gear, and competitions—because talent deserves opportunity!

REPRESENTATION MATTERS

Women's Premier League (WPL) and its impact on cricket, gender norms, and participation of girls in sports, especially from low-income backgrounds.

ACCESS TO SPORTS GEAR

Break financial barriers by providing sports gear to students, ensuring every aspiring athlete has the equipment they need to play, grow, and succeed

FIT & FED

Ensuring students stay healthy and active by providing milk & eggs year-round, so they get the nutrition they need to train, grow, and excel in sports—even during school holidays!

SPORTS X MENSTRUAL HEALTH

The Sports x Menstrual Health initiative advocates for inclusivity and strives to create an environment where every girl feels supported and empowered to participate in sports without concerns about menstrual hygiene.

JOURNALISM & LAW

“What happens when the pen and the gavel join forces? Over 70% of social movements succeed when advocacy and storytelling are combined”

Document For a Purpose

Changemakers in the Spotlight

Exposing Bias on Social Media

Sia took a bold stand against the normalization of racism toward Indians on social media. Through in-depth analysis of posts and comments on X (formerly Twitter), she uncovered patterns of discrimination and even identified parallels between biases faced by India and China.

Unveiling Unsung Heroes

With her investigative skills and storytelling prowess, Riddhima uncovered the untold stories of nonprofits supporting marginalized communities—from bee farmers sustaining ecosystems to survivors of human trafficking rebuilding their lives. Amplified voices, through her work.

Roadmap to Inclusive Transport

Aadya took a deep dive into urban transport systems across New York, Curitiba, and Bangalore, analyzing their challenges and innovative solutions. Her research went a step further by highlighting gender-specific issues in public transport, uncovering barriers to safety, accessibility, and equity.

COMMUNITY NEWS PLATFORM

Imagine a neighborhood where water scarcity goes unnoticed by mainstream media, but one blog post shines a light, mobilizing local authorities to act.

Build a platform to spotlight underreported stories within your local community.

BE THE CHANGE YOU WANT TO SEE

TRANSFORMATIVE CAMPAIGNS THIS SUMMER

THE CAMPAIGNS

DOCUMENTARY FILM PROJECTS

Picture a 5-minute documentary capturing the daily struggles of a waste worker—their challenges, resilience, and untold stories—transforming viewers' perspectives on dignity and labor.

GET THE RIGHT TOOLS WITH US TO COVER STORIES THAT MATTER

Can you interview gig workers to share their silent struggles of precarious employment, sparking conversations about workers' rights?

ADVOCACY THROUGH JOURNALISM

SOCIAL MEDIA & JOURNALISM

Can you redefine integrity in the fast-paced world of social media journalism? Focus on Verification of Information Integrity and Ethics & Monetisation Models

ART & FASHION FOR ACTIVISM

FUTURE SCIENTISTS: ART- INTEGRATED LEARNING

Many students from low-income communities struggle with engagement in STEM subjects due to a lack of access to hands-on, creative learning opportunities.

ORIGAMI FOR ANGLES & FRACTIONS:
FOLD PAPER TO UNDERSTAND ANGLES,
FRACTIONS, AND GEOMETRIC
TRANSFORMATIONS.

ART FOR ACTIVISM

#ART FOR EDUCATION

TRANSFORM EDUCATION THIS
SUMMER

HERITAGE BOX

मुंबई

History often feels disconnected from students' lives especially those from underserved backgrounds. How can art be used to make history more engaging and relevant to young learners?

EXPLORE AR/VR, MINI-BOOK
ILLUSTRATIONS OR CLOTHES INSPIRED BY
DIFFERENT HISTORICAL PERIODS OR
CULTURAL TRADITIONS!

ART X SOCIOEMOTIONAL LEARNING

Beyond academics, art can provide a safe space for self-expression, resilience, and emotional healing—especially for students facing social and emotional challenges.

EXPLORE FEELINGS WALL, STORYTELLING
THROUGH COMICS, VISION BOARDING,
MINDFUL MANDALA ART

AND MORE!

FABRIC OF HISTORY: WHERE ART MEETS IDENTITY

This campaign uses fashion and art as powerful tools to bring history alive

HERITAGE FASHION SHOW, FABRIC OF IDENTITY (FASHION AS EXPRESSION):
USE CLOTHING AND DESIGN TO REFLECT IDENTITY, HISTORY, AND PERSONAL STORIES.

#FASHION FOR EDUCATION

TRANSFORM EDUCATION THIS SUMMER

FASHION FOR ACTIVISM

DIGNITY IN A BOX: JOB-READY, LIFE-READY

Empower individuals with purpose-built kits designed to build confidence, skills, and a sense of dignity — while creating real community impact.

FROM GROOMING ESSENTIALS TO STATIONERY, RESUME TEMPLATES, AND INTERVIEW PREP FLASHCARDS,

STITCH BACK STRONGER

In a world of throwaway fashion, this campaign brings back the power of upskilling through simple, timeless techniques — like sewing a button, repairing a tear, or fixing a hem.

PROVIDE PARTICIPANTS WITH A MINI REPAIR KIT, CONFIDENCE IN THEIR NEW SKILL, AND THE KNOWLEDGE IN CARING FOR YOUR CLOTHES

AND MORE!

ACT
FOR THE

CLIMATE

before it's too late

Save Our Skies

Explore the impact of pollution on the night sky and educate students about the importance of clear skies for astronomy!

Nudge for Change

Explore the principles of nudge economics and behavioural science to design impactful interventions that encourage sustainable habits.

THE CAMPAIGNS

Buzzing for Change

Spread awareness about the impact of Bee Farming on the livelihood of farmers in India.
Build a Bee Box to raise awareness!

Solar Pathshaala

Forge alliances with businesses, NGOs, and government agencies to support and expand solar school initiatives.

Project Zero

Foster a culture of environmental consciousness and promote sustainable practices within the community.

Protecting Waste Workers

Raise awareness about the disproportionate impact of climate change on vulnerable communities, particularly waste workers, and advocate for policies and initiatives that protect their rights and well-being.

THE CAMPAIGNS

Conscious Together: Climate x Business

Equip businesses with the knowledge and tools to reduce their environmental footprint and contribute to a more sustainable future.

Ocean Exploration

Explore wonders of the ocean and introduce young minds to marine biology. From exploring ocean zones, unique marine life, and the crucial role of oceans in sustaining life and regulating climate.

Act for the Climate

Changemakers in the Spotlight

Mission to Energy Equity

Aanika authored a research paper on energy poverty in rural areas, shedding light on the challenges faced by underserved communities. She also raised ₹10,000, helping provide solar panels to schools in remote areas,

Journey to Sustainable Farming

Kabeer saw an opportunity to combat climate change through a simple yet powerful practice—mulching. By advocating for this sustainable agricultural method, he raised awareness about its ability to conserve water, enrich soil health, and reduce carbon footprints.

Sky is the Limit

Mehr took a creative approach to climate awareness by building Bee Boxes. She used them as a hands-on tool to educate communities about the vital role of bees in biodiversity, pollination, and climate resilience.

HISTORY FOR SOCIAL GOOD

WITH
TRIBESFORGOOD

मंडई

Blending Artistry and Academia

How can we make history more engaging for young learners?

Explore AR/VR, Mini Book Illustrations or even Fashion from historical periods

THE CAMPAIGNS

Heritage in a Box

- Celebrate hyperlocal cultures and undocumented traditions
- Build empathy and intergenerational bonds
- Strengthen identity and community pride
- Create digital exhibitions

Celebrating culture & heritage

Women's Rights

Gender & History

Explore the gender rights gained through past organized movements and explore how women's activism has shaped a brighter future for women today.

History for Social GOOD

Changemakers in the Spotlight

Project Rooh

Krishnav and Meher introduced students to a diverse range of art forms and their rich histories. By exploring the artistic traditions and architecture of India, they helped students connect with their culture and identity on a deeper level.

Project: Why History?

By developing interactive experiences like VR-based explorations, Samikshak is transforming history education—bringing the past to life for a wider, more diverse audience. Emphasising that History isn't just about memorizing dates—it's about experiencing the stories that shaped our world.

Echoes of the Past

Ira embarked on a mission to bring local history to life by creating a visually immersive virtual tour of the monuments and heritage sites in her neighbourhood.
