

Young Advocates - exploratory program for 5-7 graders

Activated **2500+**
Changemakers

Worked with students
from **100+ Schools** (IB/
CBSE/ IGCSE)

Impacting **6500+**
individuals from
economically weaker
sections

The Young Advocates program is a short, 10 day virtual program for students from grades 5-7, which helps cultivate empathy, problem solving and listening skills. Today's parents are on a constant quest to broaden the horizons for the kids to grow and learn. So why not **social impact?**

The Outcomes

Increased awareness about
social issues & headstart in
profile building

Increase in confidence and
public speaking skills

Skill Building Sessions

*"Deepest gratitude for your mentorship
and for providing an excellent
opportunity and learning experience to
Sumeer! We look forward to engaging
in more projects with you soon."*

Parent of Grade 6 student
